Dear Norman,

I am pleased to inform you that following a visit to your facility in Leicester on 17 January 2006 and completion of the site survey you have been accepted as a member of the Ford Motor Company End of life vehicle take back network.

Accordingly the facility is now officially recognised for the take back of vehicles belonging to the Ford, Volvo, Jaguar, Land Rover, Aston Martin Lagonda and Mazda brands.

This appointment is conditional on the following:

- That the facility retains a licence to act as an Authorised Treatment Facility (as defined in the End of Life Vehicle Regulations 2005)
- You meet the obligations that you have agreed with Cartakeback.com Ltd in its capacity as the Ford ELV network provider
- You continue to meet the standards and requirements set out in the Ford site survey and inspection

If there are any material changes that would affect your status as an authorised treatment facility or as a member of the Ford network please notify me at the earliest opportunity.

Finally, I would like to congratulate you on your appointment and look forward to working with you in the future.

Yours sincerely,

Mike Rivers
